Marius Brand

Executive Vice President: Sasol 2.0 Transformation

Mr Marius Brand is Executive Vice President, Sasol 2.0 Transformation. He is responsible for the Sasol 2.0 programme - the group-wide transformation programme positioned to achieve the Future Sasol strategy.

Marius's association with Sasol began as a student having received a Sasol study bursary. During his career he has worked at most of Sasol's South African operating facilities. He has been exposed to a broad range of business activities, including roles in plant operations, project management, establishing transactional and site shared services, managing Sasol businesses, heading Group strategy and other Group functions, and leading several group-wide transformation programmes. He was appointed to the Group Executive Committee in April 2019.

Purpose
Innovating for a
better world

Sasol is a global chemicals and energy company. We harness our knowledge and expertise to integrate sophisticated technologies and processes into world-scale operating facilities.

We safely and sustainably source, produce and market a range of high-quality products in 27 countries, creating value for stakeholders. Our purpose "Innovating for a better world" compels us to deliver on triple bottom line outcomes of People, Planet and Profit, responsibly and always with the intent to be a force for good.
